XVIth European Congress of Lepidopterology Cluj (Romania), 25 – 31 May 2009

General information

- There are almost 150 participants registered at the 16th European Congress of Lepidopterology in Cluj.
- The participants who arrive on Monday, 25th May 2009, are kindly asked to confirm their participation to the fixed menu dinner at Bethlen Kata Guest House for the price of 8 Euro.
- Recommendation for the post-congress excursion in Rimetea: please bring appropriate outdoor equipment (boots, rain-proof jacket and casual clothes). Don't forget to bring toiletry kit since the accommodation does not provide it.

We are looking forward to welcome you at the 16th European Congress of Lepidopterology in Cluj – Transylvania, where there is a remarkable biodiversity of butterflies, flowers and landscapes.

Accompanying persons programme:

- **Tuesday** afternoon: guided tour of Cluj.
- **Wednesday**: full day excursion Cluj – Sighisoara with lunch at Dracula House - Biertan - Medias – Cluj. Sighisoara is the supposed birthplace of Vlad Tepes (better known as Dracula!), which is probably the most beautiful citadel in Europe. This Saxon region of Transylvania is scattered with exquisite houses and fortified churches, like the one in Biertan.
- **Thursday**: visit to the Botanical Garden "Alexandru Borza" and some museums in Cluj.

Membership of SEL

Late payment of subscriptions has been the practice of some SEL members! To improve our cash flow situation in future:

1. Those who are 1 year in arrears will not receive *Nota lepidopterologica*, but will still receive *News*.
2. Those who are 2 years in arrears will not receive any SEL publications.
3. Those who are more than 2 years in arrears will be struck off.

Council will still be sympathetic to requests from those in countries where payment of the full rate presents difficulties (c.f. *News* 41, p. 7). ■

Editorial board's request for help

The editorial board is looking for lepidopterists or friends or spouses with good qualifications in English to help in checking the language of manuscripts submitted to *Nota lepidopterologica* by new authors, especially. None of the three current co-editors have English as mother tongue! Please contact Bernard Landry (bernard.landry@ville-ge.ch), Matthias Nuss (matthias.nuss@snsd.smwk.sachsen.de), or Niklas Wahlberg (niklas.wahlberg@utu.fi). Many thanks in advance. ■

Allgemeine Informationen

- Bislang haben sich rund 150 Teilnehmer für den 16. Europäischen Kongress für Lepidopterologie in Cluj/Klausenburg angemeldet.
- Alle Teilnehmer, die am Montag, den 25. Mai 2009 anreisen, werden höflichst darum gebeten, ihre Teilnahme am Abendessen im Bethlen Kata Gästehaus zu bestätigen (Preis: 8,- Euro)
- Eine dringende Empfehlung für alle Teilnehmer an der Exkursion nach Rimetea nach dem Kongress: Bitte bringen Sie geeignete Sachen für eine Exkursion ins Gelände mit (Wanderschuhe, Regenschutz und bequeme Kleidung). Bitte vergessen Sie auch nicht, Waschzeug und andere Dinge für Ihre persönliche Toilette mitzubringen, da sie von der Unterkunft dort nicht zur Verfügung gestellt werden können.

Wir freuen uns darauf, Sie auf dem 16. Europäischen Kongress für Lepidopterologie in Cluj/Transsilvanien Willkommen zu heißen, wo Sie eine außerordentliche Vielfalt an Schmetterlingen, Blumen und Landschaften erwartet.

Begleitpersonen-Programm:

- Dienstag: Nachmittags Stadtführung durch Cluj.
- Mittwoch: Tagesexkursion Cluj-Sighisoara, mit Mittagessen im Dracula-Haus – Biertan – Medias – Cluj. Sighisoara ist der angebliche Geburtsort von Vlad Tepes (besser bekannt als Dracula!), mit möglicherweise der schönsten Zitadelle Europas. - Nous demandons à tous les congressistes qui arriveront le lundi, 25 mai, de confirmer leur participation au souper à menu fixe du Gîte Bethlen Kata au prix de 8 Euros.
- Recommandation pour l'excursion d'après-congrès à Rimetea : prévoyez SVP des vêtements de plein-air appropriés (bottes, imperméable, etc.). Apportez également tous vos articles de toilette car le gîte prévu ne les fournit pas.

Nous nous réjouissons de vous accueillir au 16^e Congrès de lépidoptérologie à Cluj, Transylvanie, où vous trouverez une diversité remarquable de papillons, de fleurs et de paysages.

Voici le programme au bénéfice des personnes accompagnant les congressistes :

- Mardi après-midi : visite guidée de Cluj.
